

Church of Christ at Clover

www.churchofchristatclover.org

Dear Church Family,

Join us tonight for Bible study when our song leader will be announced, Al White will lead our devotional, and Charlie Kale will lead the closing prayer.

- Pam Abbott remains shut-in while dealing with on-going health issues.
- Remember the Blakes as they deal with Mike's illness.
- Ted Trotter's heart studies were good. Although he is still experiencing drops in blood pressure, there is a chance he will go home today.
- Mike Sprout is having knee pain. He has an appointment with the doctor on the 21st

- Remember those who are mourning the death of a loved one, particularly the Kale family and the Hood family.
- John Ransom, Jenny Kale's granddaughter's husband, is hospitalized with pancreatic issues.
- Rick Maiers, Patsy's husband, has been diagnosed with cancer on his tonsil and also in a lymph node. Treatment will begin on November 28.
- Sheila Martin, who we met at our give away this past Saturday, requests prayers for her family as they begin sponsorship with a non-English speaking Ukraine family.
