Dear Church Family,

Join us tonight for Bible study when our song leader will be Brent Jobs, Chuck Sullivan will lead our devotional, and Al White will lead the closing prayer.

- Pam Abbott remains shut-in while dealing with on-going health issues.
- Remember the Blakes as they deal with Mike's illness.
- Ted Trotter is still experiencing issues with his blood pressure. However, he was able to walk in the hall yesterday.
- Mike Sprout received a cortisone shot for his knee pain. He will follow up with the doctor one week from today.

- Remember those who are mourning the death of a loved one, particularly the Kale family and the Hood family.
- Rick Maiers, Patsy's husband, has been diagnosed with cancer on his tonsil and also in a lymph node. Treatment will begin on November 28.
- Remember the Bolens and other families who are traveling over the holiday season.
- Becky and Dave Johnson have requested our prayer.
- Tracie Moore has a tumor.
- Terry Hall is ill.
- Shay Timmons has not been feeling well.
- Coit Carpenter will have his second shoulder replacement surgery on Monday.
