Bring some food to share and a gift to give and join us for our annual holiday party. In addition to the food and fellowship we will once again have our "white elephant" gift exchange. If you have been present in years past, you know about the fun and the concern of losing your gift if you like it, or not losing it if you don't like it. This game works best for older children and for adults. Younger children won't understand the rules nor appreciate the intent of the gift giving. Parents of young children might consider arranging for a sitter for the evening.

Just a reminder. **EACH PERSON should bring a wrapped gift without a name on it** so everyone can leave with a gift. The gift item can be anything new or gently used (but not broken), edible or not, useful or not. Well-chosen gag gifts have been great fun in the past.
